PRINCETON MORTGAGE RECEIVES FASTEST GROWING COMPANIES AWARD

Pennington, New Jersey – August 8, 2019 – Princeton Mortgage, a 36-year-old mortgage banker, announced today that it has been named as one of GrowJo's Fastest Growing Companies in Finance for 2019.

Growjo, the leader in identifying the list of the top growing companies in the world, honored Princeton Mortgage with this award based on multiple key growth metrics. The growth metrics factored in included hiring trends, funding and financial data, web traffic, brand awareness growth, and more.

"We started Growjo because we wanted to recognize companies that were truly dedicated toward growth. Companies that were poised to making moves in their respective industries," explains Tom Blue, CEO of Growjo. "We are excited to award these companies and keep an eye on how they continue to succeed in the foreseeable future."

The award comes at a time when Princeton Mortgage is experiencing advancements in multiple areas that made it a favorable choice for the award. Most relevant of which include ranking in the top 1% for customer satisfaction based on Net Promoter Scores and sustaining 10x growth since 2018. Adding to that, Princeton Mortgage just experienced its largest month of funding in the company's history for the month of July 2019.

"One of the things our team set out to do at Princeton Mortgage is win with a focus on Customer Satisfaction. The team's diligence paired with recent achievements are proof that we're onto something here," said Rich Weidel, CEO of Princeton Mortgage. "I am deeply thankful to everyone who is part of the journey at Princeton Mortgage. It's awesome what a group of amazing people can do together."

Anticipating regular growth and success, Princeton Mortgage will continue to add to their sales team throughout 2019 and for the foreseeable future. Adding Mortgage Loan Originators and support team members in the states the company is licensed to contribute to its sustainable growth. The company's chief goal is to close 50,000 loans every year by 2028.
